4. Cultural visit

*On **Monday, 18 of March,** a cultural visit will be organized to the Zoo for the whole group.*

The rest of its free time the group is to organize on its own.

***Important!** In order to get **discounts** to the **museums and other attractions** in Lisbon we advise the School to **prepare a declaration** – a credential/official letter – in English (make more than 1 copy). In Portugal some museums, palaces, zoo, etc. make a discount for schools' visits if the School is able to provide a specific document – an official document with a stamp and a signature from the School indicating the name of the School, the date of the visit (in your case, the dates of Erasmus project), number of students with the list of them, as well as the teachers. There is no strict form of this document, so the School is free to create its own (in English). This is not an obligatory document, but it does bring its benefits.*
